NOTICE OF STATUTORY CONSENT

Section 32.1 – 45.1 of the Virginia Code provides that wherever any Doctor or any person employed by (or under the direction and control of) Hospital or Doctor's is directly exposed to patient's bodily fluids in a manner that may, according to the then current guidelines of the Centers for Disease Control, transmit human immunodeficiency virus (AIDS virus), Hepatitis B and Hepatitis C. Patient will deemed to have consented to testing for infection with each said virus. This means that Patient will be tested for each virus without his or her actual consent. The results of these tests may be released to the person who was exposed to the Patient's bodily fluids also without Patient's actual consent.

THE UNDERSIGNED REPRESENTS THAT SHE HAS READ AND FULLY UNDERSTANDS THAT MEANING OF THE FOREGOING.
